Foreword

This, the tenth volume of the AFTERTHOUGHT, aims to present a brief summary of the various activities and organizations of our school. Introducing the sections of our book, we used characters and scenes from the well-known fairy tale, *Snow White and the Seven Dwarfs*. We discovered that the names of the dwarfs provided excellent examples of the traits and moods displayed by each of us at one time or another. Naturally, "Happy" is the dwarf whose personality everyone should strive to match. However, it is generally agreed that each of us has had occasion to be a little "Grumpy;" and certainly at some time in our lives, we have all been a bit "Bashful." Two of our very common afflictions, of which none of us is proud, are those of "Sleepy" and "Sneezy." Only a small majority of persons may be called "Doc," and the least desirable trait of all is "Dopey."

As you look at these dwarfs and the write-ups and photographs of school events, we hope you will find this yearbook a source for many moments of pleasant reminiscence by calling to mind cherished friendships and associations of your years at F.T.-K.C.

Dedication

MR. ROBERT McMICHAEL

In appreciation of your enduring friendship, guidance, and helpfulness throughout the past years, Mr. McMichael, we, the graduating class of 1953, dedicate this tenth volume of the Afterthought to you.

Organizations

Snow White has organized her friends,
And apparently enjoys every moment she spends;
By organization and co-operation,
These groups spend hours in useful occupation.

The publication of our Hi-Lite was supervised by our Editor-in-Chief, Margie Kelly, and Associate Editor and Typist, Twila Hillwig.

Maxine Ross and Dot Klugh distributed the Hi-Lite each month to our readers.

Bill McCollough was our music editor; Grace Barnes, Home Economics; Don Schrecongost, one of the sports committee; and Shirley Moore and Donna Zahniser were Feature Editors. Donna was also a typist.

Exchange (the joke section) was written by John Moore and the covers for the Hi-Lite were designed by the art committee, Ken Grazier and Rita Groves.

Here you see two of our typists: Donna Bauer and Betty McCollough; our Mimeograph Supervisor, Louise Steiner; and one of the sports committee, Don Wigton.

Margie Wood, Bonnie Tribble, and Mary Bogovich took care of the class news. Bonnie and Mary also worked as proof-readers. Another proof-reader, Shirley Reep, was absent from the picture.

Afterthought Staff

Our staff wishes to present to you under the management of Miss Mitsos, the 1953 edition of the Afterthought.

Production began when members of the staff were selected by the Senior Class. Donna Bauer was to be the Editor and William McCollough, the Associate Editor. These students were in charge of having the yearbook published. The Business Manager, Louise Steiner, was in charge of the financial problems. The Literary Editors, Donna Zahniser, Carma Ward, Pauline Conerty, and Mary Bogovich worked diligently on the class will and verses about the Seniors. The baseball and basketball teams were well represented in our Yearbook as

Donald Schrecongost, Kenneth Grazier, and Bonnie Tribley brought you the scores and exciting events of all the important games. Rita Groves, Harold Ellenberger, John Moore, Pat Burns, and Dot Jack cleverly drew the pictures introducing the various groups. The Advertising Staff, Dot Klugh, Darryl Parker, Richard Donaldson, Vivian Geibel, and Mary Ann Olson, kept reminding the people to bring in their money for the Yearbook and also collected the ads.

We wish to take this opportunity to commend the students of the Afterthought Staff on the fine job they have done in producing the Yearbook.

Latin Club

"Pugna Justitiae." This is the motto of the Latin Club. Translated it means "The fight for justice." A student may become a member of the club when he has completed one semester of Latin, and his membership continues until he has graduated.

Some of this year's activities were as follows: A special assembly program was presented on February 24, as a part of the Annual Latin Festival. Following the

Devotional Hour, there was special music—and two plays—"Thanksgiving for Latin," and "Living Statues from Classical Mythology." All students participated in those presentations.

A trip was made to the Buhl Planetarium in Pittsburgh during the Festival. The students reported a very pleasant excursion and are looking forward to a similar trip next year.

Librarians

The librarians, students of the high school, are chosen by Mrs. Myers, the librarian supervisor. The students work in the library during their study halls and are

responsible for keeping a record of all the books, magazines, and reference work that go out of the library. The librarians are noted for their cooperative attitude.

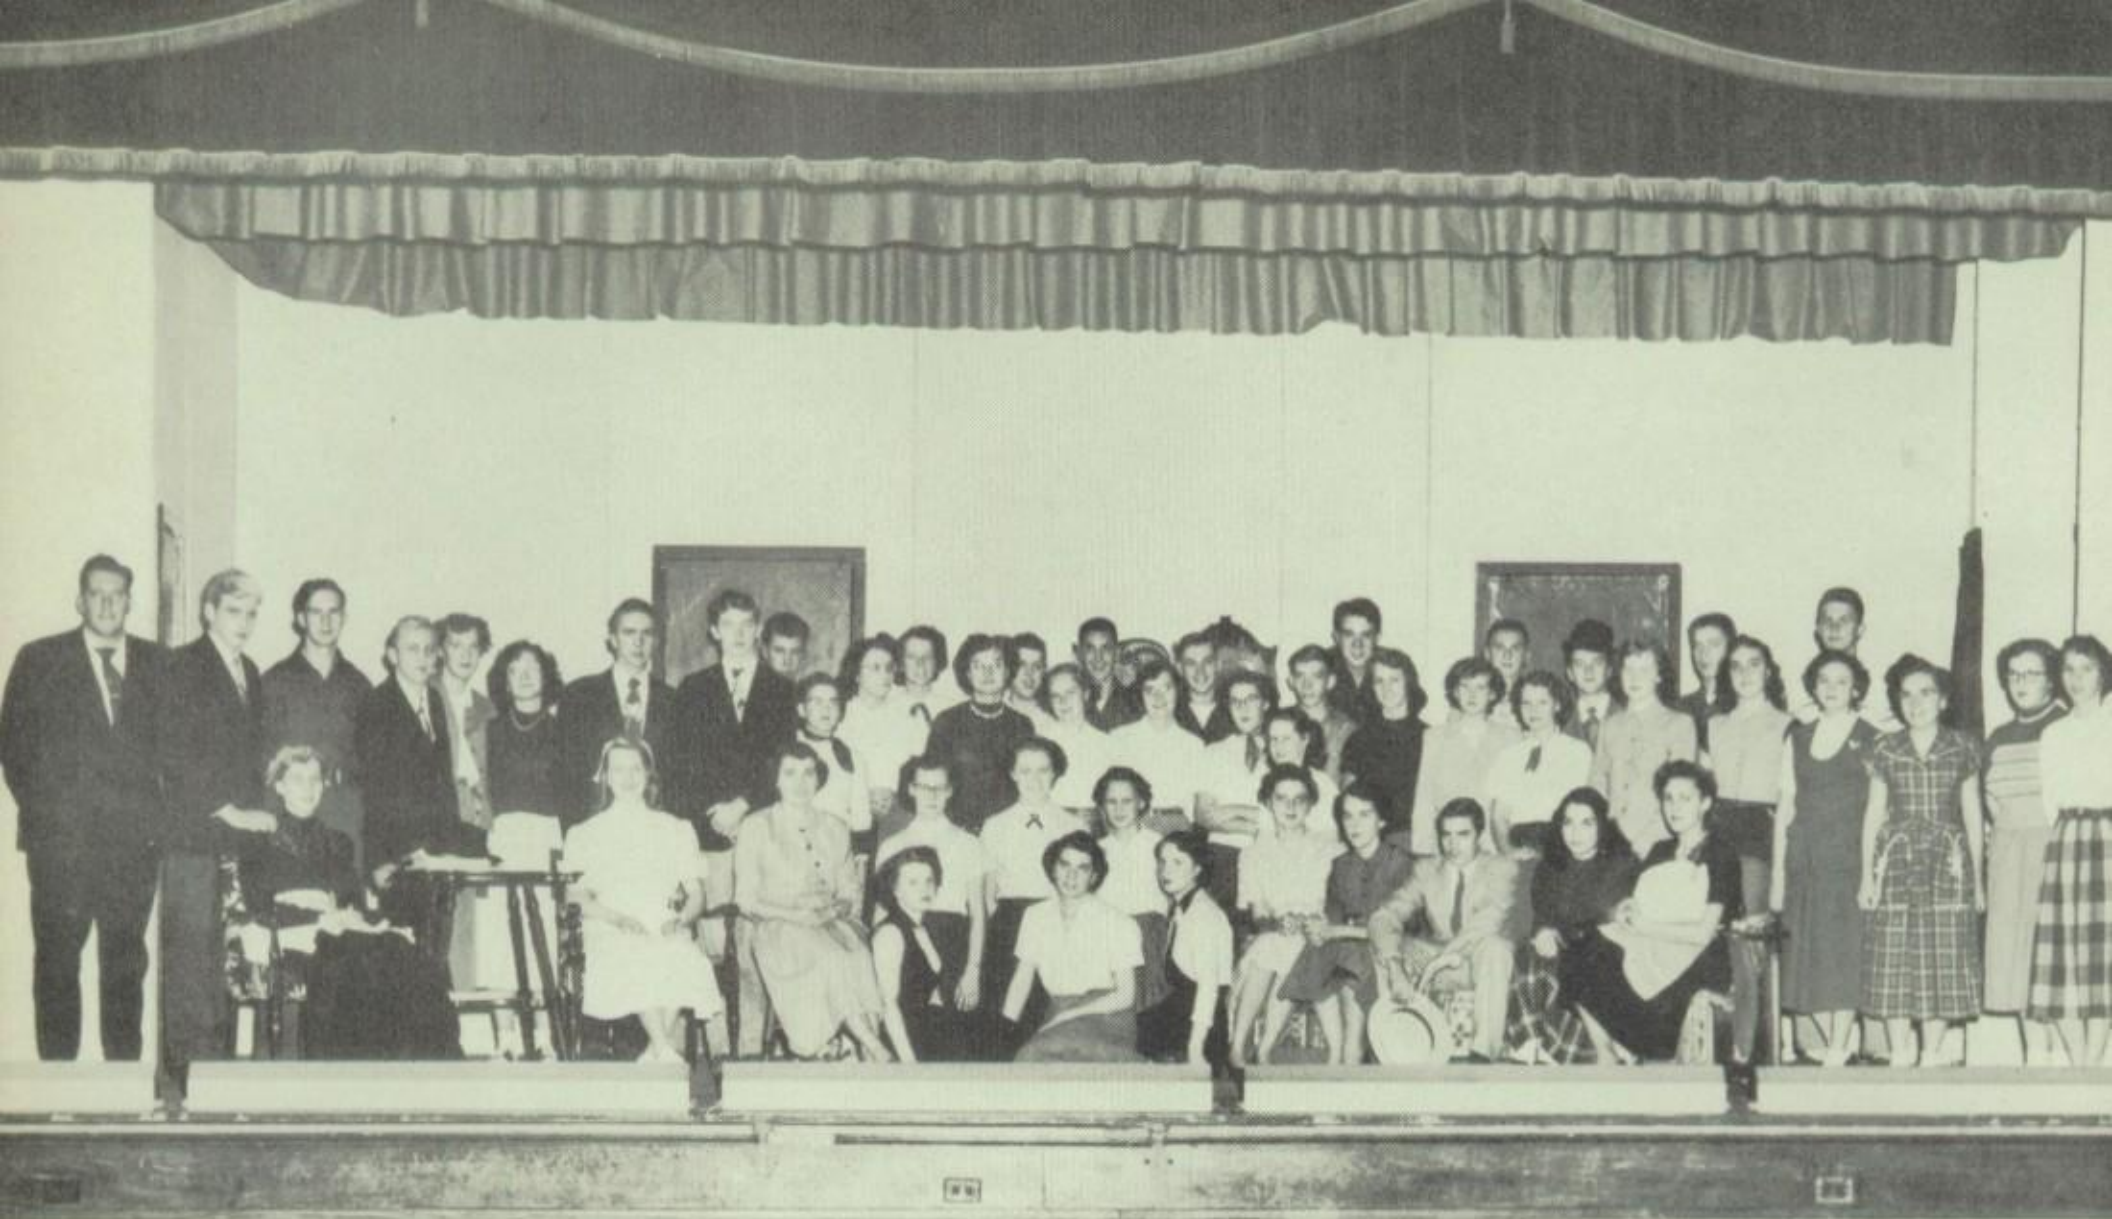

Chair Crew

The "Chair Crew" is made up of volunteer workers from the high school. These boys set up the chairs for all programs in the gym and take the chairs down when the programs are over. They are rewarded by free passes

to everything held in the gym. We wish to express our thanks to the boys for the wonderful job they have done. The chair crew is under the direction of Mr. Conrad.

Old Doc

Old Doc Hillary thinks his son Bob is coming home from medical school to practice with him. Young Doc is still in love with his home town girl, and he doesn't have nerve enough to tell his father that he isn't going to practice with him. The home town girl breaks off her engagement when she hears of his plans, and Bob goes off on a trip with the Brands without facing his father. He leaves a note and when Old Doc reads it, he suffers a stroke. Then a

neighbor, Ma Brown, takes things in hand. She fakes a telegram to Old Doc, that makes him think Young Doc is taking over the home town practice after all, and Old Doc dies believing that. Young Doc has no intention of doing any such thing and says so when he hears what Ma Brown has done. Ma shows Young Doc what half a century of practice with the home folks has meant, and he decides this is the life for him after all.

To be good sports and win each game.

ATHLETIC COUNCIL

er. Standing: Mr. Black, Mr. Salsgiver, Mr. Sutliff.

Three faculty members and four students (two juniors and two seniors) make up the Athletic Council, which is responsible for: the passing of laws which govern the letter and sweater awards, the sponsoring of an annual Athletic Banquet, and the management of the Dairy Bar. This was their eighth year as an advisory body, and we think they have done a wonderful job.

The managers of the basketball teams are selected in their Freshman year, and they serve for four years. They take care of the basketball equipment, clean the coach's room, keep the score-book for the games,

work the scoreboard at the home games, and help in the Dairy Bar. Each manager has certain duties for which he is responsible.

The Dairy Bar is operated by the Junior and Senior Varsity Cheerleaders, the Athletic Council, and the Managers. They distribute ice cream and chocolate milk at noon time and after school. The money made by the Dairy Bar workers has bought cheerleaders' jackets, steel lockers, awards for cheerleaders, basketball and baseball players, and the athletic council.

 Standing: Raymond Stahl, Don Shakley, John Moore, Wayne King, Jim Simpson, Ronnie DeBacco, Coach Sutliff.

Baseball Team

The Baseball Team had a perfect record in league play in their 1952 season. In the playoffs, Karns City was finally defeated by Worthington after a hard fought season. The team will lose three players this year through graduation. They are: Don Schrecongost, Wayne King and John Moore.

Our Team in Action

Left to right: Donna Groves, Ruth McCollough, LaVaun Campbell, Dorothy Jack, Virginia Coleman, Marjorie Wood, Patty Miller, Shirley Larimore.

Senior Varsity Cheerleaders

We are very proud of the peppy cheering the jayvee cheerleaders have done during the basketball season.

The cheerleaders are girls who tried out to be cheerleaders at the beginning of the year. They were selected by the members of the Athletic Council. There are two new members of the Jayvee cheerleading squad this year; they are Shirley Paslawski from Seventh Grade, and Vivian Grazier from Eighth Grade.

The uniforms of the Junior Varsity Cheerleaders were purple jumpers, gold pullover sweaters and black and white saddle shoes.

The Senior Varsity Cheerleading Squad was composed of Dot Jack, the captain, Margie Wood, co-captain, and Donna Groves; three Juniors: Ruth McCollough, Shirley Larimore and Patty Miller; and two Sophomores: Virginia Coleman and LaVaun Campbell.

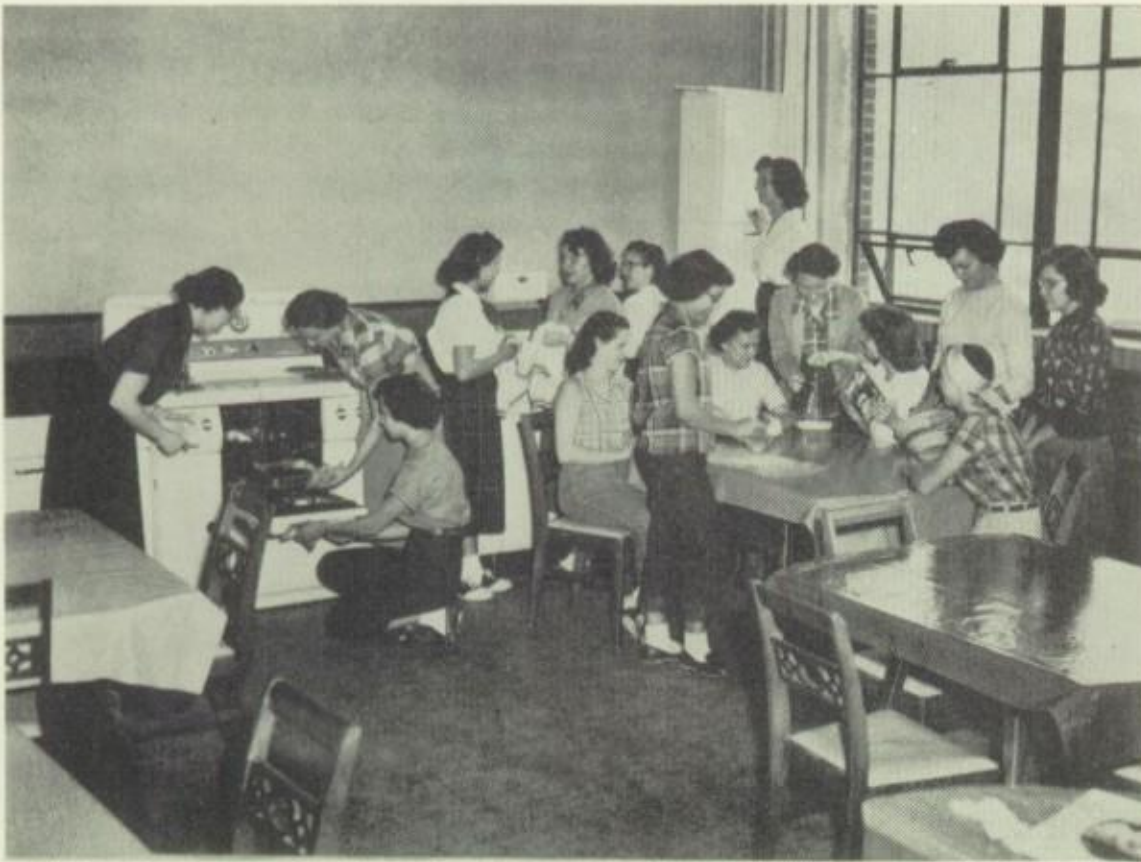

The Senior Varsity Cheerleaders' uniforms were purple skirts, gold sweaters and black and white saddle shoes.

Accompanying the team at its home games and also on its journeys to other schools, the cheerleaders always gave considerable amount of moral support to the team.

Left to right: Vivian Grazier, Nancy Moore, Shirley Paslawski, LaVaun Campbell, Judy Ekis.

Home Economics

The Senior girls of Home Economics met twice each week. They took cooking one semester and sewing the other semester. The majority of girls made sport jackets the second semester, while the rest made dresses.

The girls also learned how to prepare delicious pies and cookies and they served two tempting dinners during the year—one for their mothers, and the other for the school board members.

The Mechanical Drawing class meets the fifth period every day in the shop. This subject is open to Senior boys only. In class, the boys learn to make scaled drawings and have seen several movies during the year. Those Seniors taking Mechanical Drawing are: Jim Geibel, Harold Ellenberger, Dick Donaldson, Darryl Parker, Ken Grazier, Walter Rumbaugh, Harold Kepple, Wayne King, John Stimac, Bob Sanich, John Moore, and Don Wigton.

Music

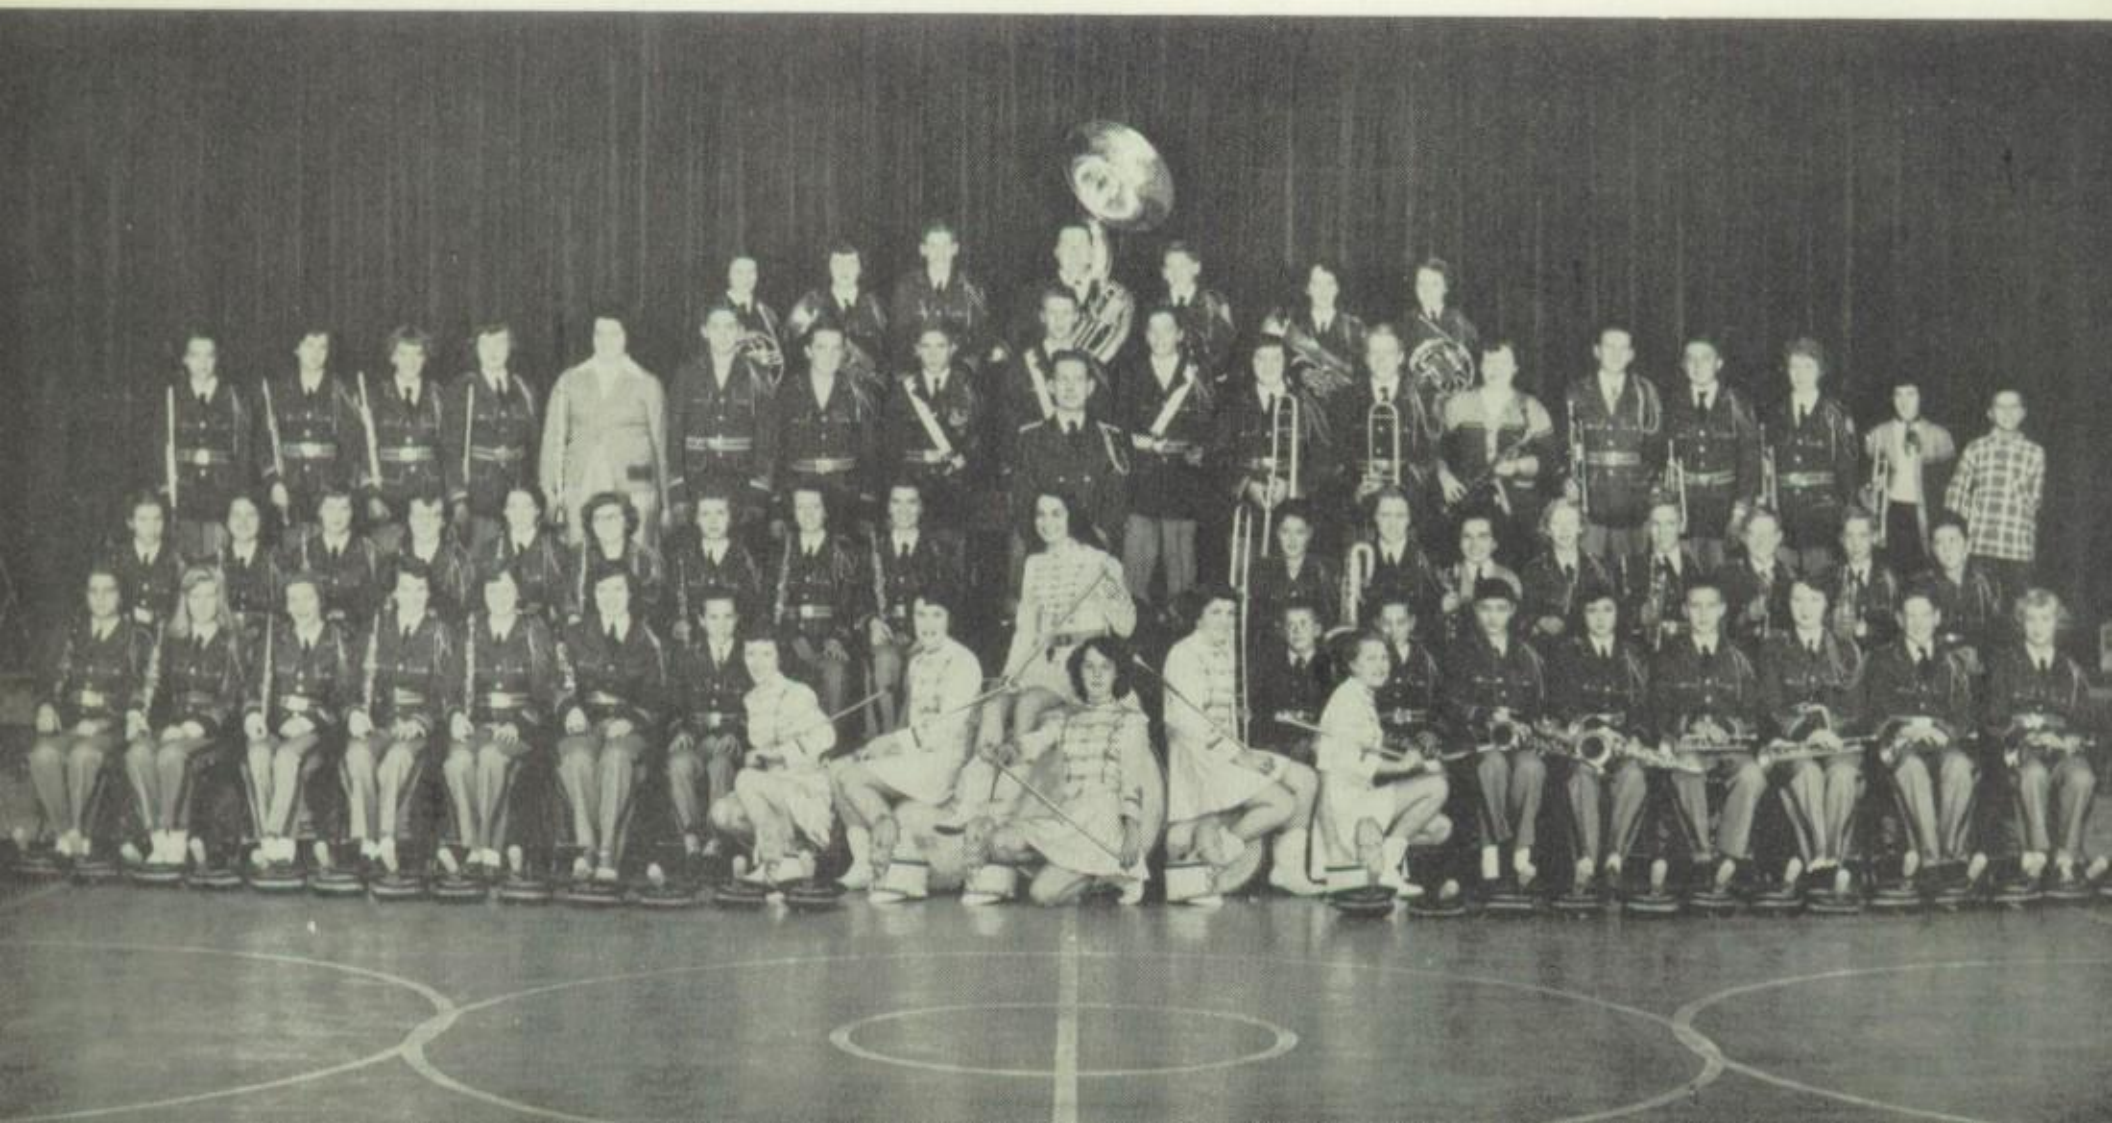

Here is "Dopey" showing you,
What one section of our band can do,
Along with the band in our music section,
Are choruses and ensembles who train for perfection.

Senior Band

The Senior Band is made up of approximately 60 students from the Junior and Senior high schools. Their first activity of the year was the Armistice Day parade in Butler, on November 11. This year the band featured two concerts: the special Christmas Concert and the Annual Spring Concert. Much interest was added to the organization by the new plan of exchange chapel programs and by the County and District band groups. Five of our students attended District Band and nearly twenty-five participated in County Band. The band also furnished music for several chapel programs in our own school. The activities of the group, however, were somewhat limited this year due to the construction work in the auditorium.

Fourth row: Blanch Osterling, Twila Hillwig, Meade Grazier, Jerry Bell, Ross Grazier, Margie Wood, Kay Sherwin. Absent: Donna Groves, Marilyn McCollough.

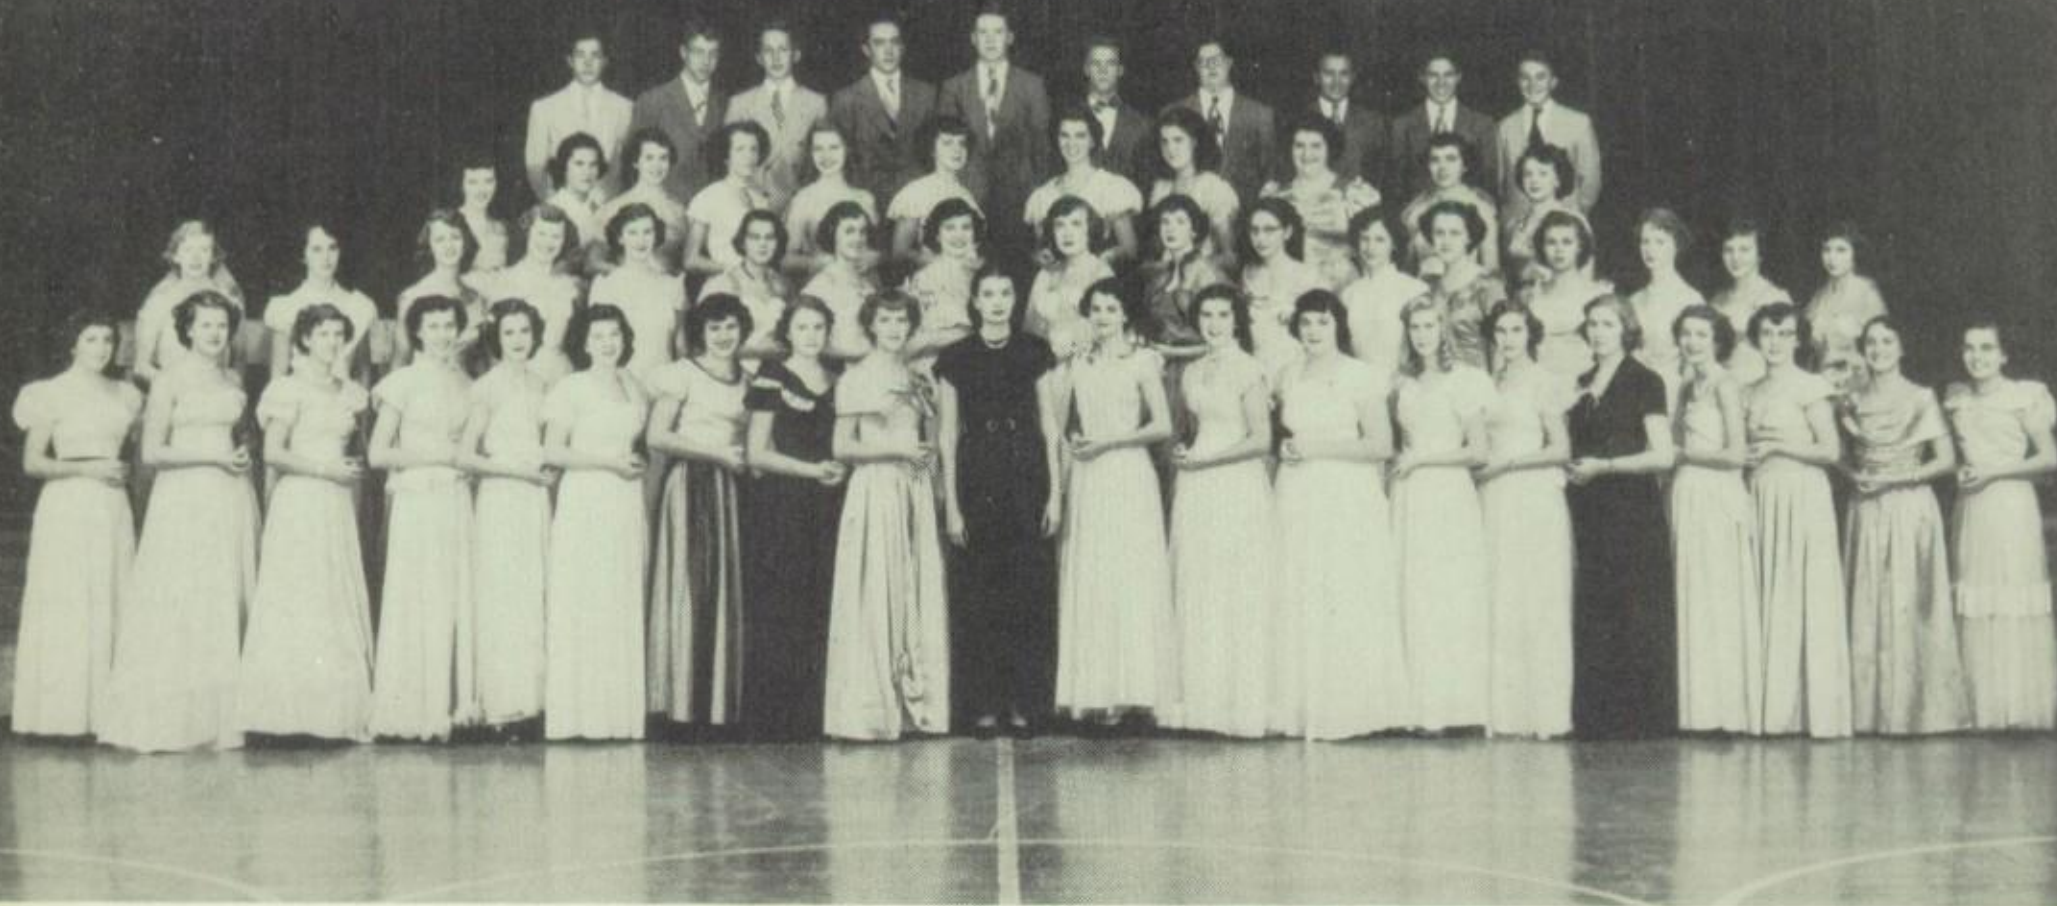

"B" Band

The "B" band serves a two-fold purpose. Its primary function is to train young musicians to play together and to learn how to read all types of music. The secondary purpose is for students in the Senior band to learn to play a different instrument. The band appeared in the Elementary Christmas Chapel program and in the Christmas Concert. Their final appearance of the year was at the Annual Spring Concert in May.

Mixed Chorus

The Mixed Chorus, under the direction of Miss Markel, gave two very inspiring performances during the year. Accompanied by Rosella Walker, they first appeared at the Christmas chapel program, and again at the Spring Concert. This group met each

Thursday afternoon in the auditorium and worked hard on all types of music. Several members of the group participated in Midwestern District Chorus at Hickory School, Sharon, Pa. They were: Donna Bauer, Doris Gaiser, and Myrna King.

Senior Class History

Freshman

As timid Freshmen, we overflowed Room 13, where Mrs. Gulyas was the teacher, and those remaining were placed in Room 14, Mrs. Vander May's room. Later, when Mrs. Gulyas became ill, Mr. Uber came to replace her and stayed with us the rest of the year (remember the beard he grew for the Sesqui-Centennial Parade). At the end of the year we journeyed to Kennywood Park, and everyone reported an enjoyable time.

Sophomore

Once again our class occupied Room 13 and 14. That year, however, Miss Craig had charge of the greater number of us, with Mrs. Vander May again "blessed" with those remaining. At the beginning of the year, we elected Donna Bauer as president, Ken Grazier as Vice President, Dot Jack as Secretary, and Patty Burns as Treasurer. This year we picked a new class song, "Till the End of Time," and changed our class colors to blue and gray. I think we shall always remember the deep snow in November, when we were "compelled" to miss a week of school. (Of course, we made it up the next spring.) Toward the close of the year, Patty Burns and Ken Grazier were elected to the Athletic Council.

Junior

This year shall be remembered as one of "trials and tribulations" for both our class and for our advisor, Mr. Black. Our goal this year was to obtain sufficient funds to sponsor the annual Junior-Senior Prom and Banquet; and, somehow, with much hard work, our goal was reached. The money was raised through the Junior Bake Sale and the two round and square dances which we sponsored. This was the year that many of us got our driver's license, and some of the boys became the proud owners of "jalopys." During our Junior year, we also got our class rings, and elected our Junior-Senior officers: Donna Bauer, President; Shirley Reep, Vice President; Joann McFadden, Secretary; and Pat Burns, Treasurer.

Senior

Finally we reached the day when we were no longer known as underclassmen, but as Seniors. Just think, only nine months until graduation day! Once again we overflowed Mr. McCollough's room and those remaining were placed in Miss Mitsos' room. Our first activity of the year was our play, "Old Doc." It went off with a "bang," despite our worries. And think of the fun we had going to Bruin to practice! Next came the yearbook, which also took much hard work. Another function was the Hi-Lite, which was published each month throughout this busy year. Our graduation pictures, announcements, name cards, and class pins all make up a part of our Senior Year. Then came those long awaited days: Baccalaureate, the Prom and Banquet, Class Night, and last but not least, Commencement.

Here and There Around F.T.-K.C.

What's so funny folks, the program?

We'll really lay them in the aisles!

What if the scenery fell down or the sofa collapsed?

"Girls, that's a pretty nice Hi-Lite."

Oh, Happy Day!

My, what an attentive audience!
